Payment Methods

Please make cheques payable to Isle of Man Government.

All postal applications must be made by cheque or postal order and not cash.

Payment at the counters may be paid by: Cheque, Cash, Debit Cards or Postal orders.

Fees

Export Certificate	£4.00
Scrap	No Fee

Please be aware that once a vehicle has been issued with a certificate of export or has been scrapped, the registration and licence (tax disc) of the vehicle is no longer valid.

Exporting Vehicles

Taking your vehicle abroad for more than 12 months (permanent export)

If you are taking your vehicle off the Island on a permanent basis you must notify the Department of Infrastructure of the vehicle's export. You will receive a certificate of permanent export as confirmation of your vehicle's registration.

If you have the new style (A4 size) Vehicle Registration Certificate for your vehicle (not the yellow log book), this document should be acceptable for re-registering in any European Union Country and you may not need an 'Export Certificate'. If you are exporting your vehicle to a non European Union country it is recommended that you obtain an Export Certificate.

Taking your vehicle abroad for less than 12 months (temporary export)

If you are taking your vehicle off the Island for less than 12 months you must make sure you take your Vehicle Registration Certificate (log book) with you. You should make sure that you meet any international and national conditions for licensing and taxation.

Please be aware that once a vehicle has been issued with a Certificate of Export or has been Scrapped, the registration and licence (tax disc) of the vehicle is no longer valid.

Scrapping a Vehicle

If you wish to scrap a vehicle you should take the vehicle to a licensed company to be de-polluted and destroyed. If a vehicle is scrapped it is important to inform the Department of Infrastructure.
