Makes sure mail follows you home

Stay in touch with your mail

Moving house means remembering 101 different things. So leave one of them to us. Whether you're moving locally or overseas, forever or just temporary, Isle of Man Post Office can redirect all your mail for up to two years.

Redirection is a cost-effective way of continuing to receive mail sent to your former address when you move home or business.

We can even redirect Special and Recorded Deliveries within the British Isles only, although obviously these will take a little longer than usual so the guaranteed delivery times won't apply. We can also redirect mail for someone who has died, or for whom you have power of attorney.

Preventing Identity Fraud

Your identity and personal information are valuable. Criminals can find out your personal details and use them to open bank accounts and get credit cards, loans, state benefits and documents such as passports and driving licenses in your name.

The Isle of Man Financial Supervision Commission recommends that, to reduce the risk of Identity fraud when you move house, you should use a mail direction service to direct your mail from your old address to your new one for at least a year. For more advice on Identify Fraud please visit www.gov.im/fcu

How it works...

Simply complete and sign the attached application form.

Please present your completed application form and proof of identification (see Important Information for acceptable proof of identification – we will need ORIGINALS) with the correct payment at any Post Office Counter or post to:

ReDirect Service, Isle of Man Post Office, Freepost 1167, Postal Headquarters, Douglas, ISLE OF MAN, IM87 6DL.

If sending through the post, we recommend sending your original documents using our Special Delivery Service. Your original documents will be returned to you by Special Delivery on day of receipt.

We will send you a written acknowledgement of your application to your old address and start redirecting your mail as requested.

Important Information

Two weeks before your redirection is due to end we will contact you again to check if you would like your redirection period to be extended. Mail will be delivered as addressed upon the expiry of your redirection.

To give us ample time to process your request, please complete and return your application form at least one week before you would like ReDirect to start.

Acceptable proof of identification:

- Passport, birth certificate, driving licence or bank card AND either a household bill or TV Licence. Documents need to be originals (NOT photocopies) and relate to the old address. Please supply one from each category. Please photocopy original documents before posting. Household bills must be within the last 6 months.
- Applicants above the age of 16 must sign the application form. In the case of minors a parent or guardian must sign.
- Separate ID is required for each individual aged 16 years or over.
- In the case of deceased, if more than one person has power of attorney, signatures must be supplied by all parties concerned.

Please note

- Whilst we can redirect Special Delivery, Recorded and Parcelforce Items within the British Isles, we are unable to deliver these items if you have moved abroad – these items would be returned to sender. Please note that delivery times guarantee will not apply for redirected items.
- We may be required by law not to redirect Social Security and other benefits mail. We advise that you contact your Local Authority or benefits office as soon as possible to inform them of your new address.
- Isle of Man Post Office will not redirect mail if it has more than one addressee on the envelope or package and only one of the addressees has applied for the service.
- Our redirection service is only applicable to letter mail. We cannot redirect Parcels.
